

The Mobile chapter of Us TOO

**Announcing a new location and time for our
Monthly meetings!**

**Support, advocacy, and educational talks on latest
developments, techniques, and trends in Prostate Cancer;
Detection, Treatments, Monitoring, and Surveillance.**

**Infirmiry Cancer Care-Infirmiry Health Systems
will host us at their Cancer Care Center**

Kickoff: Tuesday, Sep. 25, at 6:30pm

Speaker: Dr. Brandon Peters:

Specializing in radiology, diagnostics, and nuclear medicine

Regular Schedule: 1st Tuesday of each month; 7pm

**Beginning: Tuesday, Nov. 6, at 7:00pm (go to web pg for
more detail directions)**

**For Whom? Our meetings are open not only to newly diagnosed men and
prostate cancer survivors; but also significant others, family members, friends,
and the general public who want more information pertaining to prostate cancer.
With a challenging disease like prostate cancer, it's critical to not only become an
informed patient - but to stay an informed patient!**
